RE: Specific pre-sentence report concerning:
Name:
D.O.B.:
Case no.:
Date of sentence hearing:

Dear Judge,

On _____, you requested a specific assessment of the above-named offender.

At your request, the assessment will address the following question: What is the risk of re-offending and the potential for social reintegration, considering the therapeutic progress of the above-named offender?

To answer the question posed by the court, we present the following specific assessment.

Analysis of relevant information

Introduction: Brief review of the offender's substance use and offending cycle (favourite drugs, age at first use, frequency of use, alone or with others, link with criminal offences, previous periods of abstinence).

Body of text: progress to date (stage reached by offender in the process, previous relapses, acquisition of coping tools, motivation with regard to abstinence, post-therapy environment, realism of future projects, support from a network, understanding of addiction, traps to avoid and identification of protection factors).

Conclusion

Risk of re-offending based on the preceding elements, and recommendations concerning social reintegration and learning retention.
